

(b) *Systems to accept and disseminate swap data in connection with real-time public reporting.* A registered swap data repository shall establish such electronic systems as are necessary to accept and publicly disseminate real-time swap data submitted to meet the real-time public reporting obligations of part 43 of this chapter. Any electronic systems established for this purpose must be capable of accepting and ensuring the public dissemination of all data fields required by part 43 of this chapter.

(c) *Duty to notify the commission of untimely data.* A registered swap data repository must notify the Commission of any swap transaction for which the real-time swap data was not received by the swap data repository in accordance with part 43 of this chapter.

§ 49.16 Privacy and confidentiality requirements of swap data repositories.

(a) Each swap data repository shall:

(1) Establish, maintain, and enforce written policies and procedures reasonably designed to protect the privacy and confidentiality of any and all SDR Information that is not subject to real-time public reporting set forth in part 43 of this chapter. Such policies and procedures shall include, but are not limited to, policies and procedures to protect the privacy and confidentiality of any and all SDR Information (except for swap data disseminated under part 43) that the swap data repository shares with affiliates and non-affiliated third parties; and

(2) Establish and maintain safeguards, policies, and procedures reasonably designed to prevent the misappropriation or misuse, directly or indirectly, of:

(i) Section 8 Material;

(ii) Other SDR Information; and/or

(iii) Intellectual property, such as trading strategies or portfolio positions, by the swap data repository or any person associated with the swap data repository. Such safeguards, policies, and procedures shall include, but are not limited to,

(A) limiting access to such Section 8 Material, other SDR Information, and intellectual property,

(B) standards controlling persons associated with the swap data repository trading for their personal benefit or the benefit of others, and

(C) adequate oversight to ensure compliance with this subparagraph.

(b) Swap data repositories shall not, as a condition of accepting swap data from reporting entities, require the waiver of any privacy rights by such reporting entities.

(c) Subject to Section 8 of the Act, swap data repositories may disclose aggregated swap data on a voluntary basis or as requested, in the form and manner, prescribed by the Commission.

§ 49.17 Access to SDR data.

(a) *Purpose.* This Section provides a procedure by which the Commission, other domestic regulators and foreign regulators may obtain access to the swaps data held and maintained by registered swap data repositories. Except as specifically set forth in this Regulation, the Commission's duties and obligations regarding the confidentiality of business transactions or market positions of any person and trade secrets or names of customers identified in Section 8 of the Act are not affected.

(b) *Definitions.* For purposes of this § 49.17, the following terms shall be defined as follows:

(1) *Appropriate Domestic Regulator.* The term “*Appropriate Domestic Regulator*” shall mean:

(i) The Securities and Exchange Commission;

(ii) Each prudential regulator identified in Section 1a(39) of the Act with respect to requests related to any of such regulator's statutory authorities, without limitation to the activities listed for each regulator in Section 1a(39);

(iii) The Financial Stability Oversight Council;

(iv) The Department of Justice;

(v) Any Federal Reserve Bank;

(vi) The Office of Financial Research; and

(vii) Any other person the Commission deems appropriate.

(2) *Appropriate Foreign Regulator.* The term “*Appropriate Foreign Regulator*” shall mean those Foreign Regulators
